NJSO of Cystic Fibrosis

P.O. Box 3648, Wayne, NJ 07474-3648

WHO WE ARE

The New Jersey State Organization of Cystic Fibrosis (NJSOCF) was founded in 1977 to provide direct "hands on" financial assistance to cystic fibrosis counseling, referrals and educational materials to cystic fibrosis patients and their families.

NJSOCF is a non-for-profit 501(c)(3) organization that uses its donated dollars to purchase the daily necessities of living for patients with CF. These include prescription drugs, medical equipment, nutritional supplements and extra nutritious foods. Services are available from birth to adulthood. Adult patients receive services through a special state-funded program specifically for adults with cystic fibrosis.

Our mission: to ease the heavy financial burdens placed on CF patients and their families and to provide needed information. No other cystic fibrosis organization in the state provides the same type of focused financial assistance with education and counseling.

Our motto: we are the ones who help them breathe easier!

WHO WE HELP

NJSOCF serves cystic fibrosis patients throughout the state. Services are available for patients from birth through adulthood. NJSOCF's special state-funded adult program provides much-needed direct financial assistance to eligible adults, age 18 and over, who are affected by the disease and qualify for the program.
